"We are always excited to launch a new series and collect feedback from fans," says Mile High Media Vice President Jon Blitt. "Each new series is carefully planned to cater to a niche people have been requesting, so it's extremely rewarding to hear the excited reactions."

The series introduces the sexy massage therapists at Lush Springs Day Spa and their wild clients. Bitchy, ruthless casting director Dana demands a "happy ending" from stunned masseuse Kira, but Dana gets more than she bargained for. Anxious divorcee Brandi confides in masseuse Kenna about her cheating ex-husband, and Kenna gives Brandi a little extra care. A week later Brandi returns, hoping to get more "deep tissue" work from Miss Kenna, only to discover she has been fired. Brandi is given a new massage therapist, Sovereign, who turns out to be Brandi's ex-husband's mistress. Finally, big shot CEO Magdalene loses patience with brand new masseuse Sarah. Magdalene decides to show the younger girl how to satisfy a powerful woman.

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.

Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon

Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
