"On behalf of Sweet Sinner's other directors – AVN Hall of Famer James Avalon and Sweet Sinner creator Nica Noelle – we welcome Jacky to the family," says Mile High Media Vice President Jon Blitt. "In her young career, Jacky St. James has already established herself as one of the leading directors in the porn industry."

Jacky St. James states, "Working with Mile High has been an absolute pleasure. The cast of 'Interracial Family Needs' is what truly makes this movie so special."

"Interracial Family Needs" stars Sara Luvv, Rachael Madori, Cherie Deville, Tyler Nixon, Tyler Knight, and Isiah Maxwell.

The movie begins when the death of her father sends Mia into a tailspin. Her stepfather, Doug, reaches out and invites her to stay with him and her mother, Tasha, for the summer. But when Tasha's own resentments towards Mia, drives her daughter into isolation, Doug steps in to be the emotional support she needs. Struggling with his own issues with Tasha, Doug quickly finds himself more and more drawn to Mia. As their friendship progresses, sexual tensions reach a breaking point, and soon Doug is unable to resist the temptation of his stepdaughter any longer. However, when another family member discovers their secret, Doug fears he may lose everything.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple's orientated erotica. Featuring forbidden sex, emotion and compelling storyline, each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
