"Erotica X's series 'Internal Love' is about skillfully combining hardcore sex with passion and romance, and topping it off with the most intimate way to end a scene," states Jon Blitt, head of production for Erotica X's parent company, O.L. Entertainment. "James perfectly accomplishes this in Volume 2, while introducing fans to four gorgeous newcomers who will be gracing movie covers for years to come."

"Internal Love Vol. 2" features four erotic tales of couples having a special romantic moment of extremely hot sex. Each scene climaxes with the man coming inside the woman.

In "The Date," Sydney Cole and Tyler Nixon are on their first date. They're both so eager they never make it out of the house! In "Strip Chess," Lily Jordan and Seth Gamble skillfully maneuver each other out of their clothes – it's the perfect example of an intellectual who is also gorgeous and sexy. In "Parting Gift," Charles Dera, an enlisted man, is being deployed for a year, and Anya Olsen begs him for a parting gift. In "Wrong House," Nina North mistakenly enters Michael Vegas' house and pool thinking it's her girlfriend's house. She slips into the pool and Michael slips into her.
