The sexy title is the debut from Mile High Media's new studio created with adult movie auteur Nica Noelle. Sweet Sinema captures the essence of Hollywood classics in hot, XXX interpretations. "Fatal Seduction" goes one step further than the original to provide a powerfully erotic film experience starring Amy Fisher, Katsuni and Evan Stone.

Amy Fisher stars in the classic cinematic tale of a one-night stand that quickly descends from erotic to bone chilling. In "Fatal Seduction", handsome and successful Don (Evan Stone) is a hotshot architect married to beautiful violinist Renee (Katsuni). When Renee leaves town to play a concert date, Don meets up with journalist Anna Falkner (Amy Fisher) for an interview that leads to an explosive one-night stand. Soon the increasingly needy Anna shows signs of mental instability, and Don tries to pull away from the tempestuous brunette and return to his normal life. Anna won't be ignored, and Don soon finds that he's in over his head - and there may be no way out.

Katsuni says, "Nica Noelle is fantastic at incorporating famous mainstream movies into her own, unique versions. 'Fatal Seduction' is about power and manipulations, and that to me is the best way to make a porn movie intense and exciting. It's a smart and erotic movie, and I love it!"

"Amy, Evan and Katsuni turn in some of the most amazing performances I have had the pleasure of directing," states "Fatal Seduction" writer / director Nica Noelle. "They embraced their roles, creating a complex love triangle of sex and deceit. Their chemistry takes the story into darker and more passionate territory than the original ever dared."

"Fatal Seduction" is inspired by the classic film of lust and betrayal and includes unprecedented performances by the biggest stars in adult films.

The movie also stars Xander Corvus, Melissa Monet, Danny, Wolf Hudson, Savina and Mark Wood.

With Nica Noelle's stellar track record as a storyteller, "Fatal Seduction" and Sweet Sinema are positioned to do extremely well in a market looking for quality. XCritic.com's Apache Warrior writes, "[Nica's] storytelling skills continue to amaze me. She is never afraid to break the mold and go off on a new trajectory if the story needs to go that way. Nica has always placed the importance of the story as the main target and then, hire the actors and actresses who can best translate it on screen both acting wise and in sexual terms. She is one of the forces behind the resurgence of features becoming more prominent in this industry again."

Like its sister studios Sweetheart Video and Sweet Sinner, Sweet Sinema is developed with couples in mind, providing real lovemaking and real orgasms. The captivating features will go further than any R-rated film is allowed. Each movie couples complex stories and well-developed characters with intense sexual performances.
