"Mason is known for capturing stars at their best while exploring their sexual limits," said Jon Blitt, head of production for Hard X's parent company, O.L. Entertainment. "This new chapter of the series continues the legacy, giving gorgeous young stars a chance to embrace their sexuality and get facialized for the first time."

Blitt goes on to say, "It's the amazing performers that make this series so good, and on that note I'd like to take a moment to congratulate Aidra Fox, who just won AVN's *Best Oral Sex Scene* award for her 10 guy blowbang in *Facialized 4*. She is so deserving!"

The movie follows the award-winning "Facialized 4," which was praised by [AdultDVDTalk](#)'s bono-ONE. He wrote: "No doubt if you've picked up the previous three installments you will want to add this latest as the four scenes are right up there with the best captured for the series."
