Sweet Sinema revisits the classic tale of lust, head games and power play in "6 ½ Weeks." Inari is a lovely but reserved party planner who meets the mysterious Manuel at an art gallery. When he notices her admiring a painting of a melancholy woman, he uses it as an opening to meet the beautiful blonde. Inari is immediately intrigued by this suave, successful stranger, and she falls for him quickly. But Manuel has a secret dark side, and Inari soon learns the sexual and psychological perversions to which she must submit to keep his love. Will their sick game go too far?

Mile High Media Vice President Jon Blitt states, "Sweet Sinema has done it again, with a stellar follow-up to our highly acclaimed first effort, 'Fatal Seduction.' Consumers are ecstatic at the notion of finally seeing their favorite erotic, R-rated films pushed over the edge. With Sweet Sinema's releases, there is no MPAA breathing down the director's neck dictating on how much skin may be revealed. Now fans can see Hollywood classics with a XXX twist... like '6 ½ Weeks.'"

Like its sister studios Sweetheart Video and Sweet Sinner, Sweet Sinema is developed with couples in mind, providing real lovemaking and real orgasms. The captivating features will go further than any R-rated film is allowed. Each movie couples complex stories and well-developed characters with intense sexual performances.
