"This second installment of the series from erotic master James Avalon, is a captivating look at the chemistry and passion of a budding relationship," said Jon Blitt, head of production for Erotica X's parent company, O.L. Entertainment. "With his handpicked cast James brings out the chemistry and erotic energy between the performers. It's a great follow up to the well-received debut of the series."

"First Dates 2" begins with a young Asian girl who falls for a handsome surfer who is looking for more than a perfect wave. Next, a couple attempting a cooking adventure together find they're more interested in a culinary romp in the kitchen. Then, a saleswoman takes a special interest in one of her new clients who already has eyes for her. And finally, a busy woman who is all about results, has no time for all the pleasantries of going out to dinner, as she gets to the straight point and satisfies her lust for sex.

This second installment of the series is a follow up to the critically-acclaimed first chapter hailed by AdultDVDTalk's [Captain Jack](#) who wrote: "James Avalon directs this new EroticaX series in which the nervousness of a first date is soon replaced by the excitement of a first kiss. There's something for all of the romantics out there."

"First Dates 2" features four hardcore sex scenes shot in HD, along with a photo slide show, animated chapter index, movie trailers and more.

Erotica X features beautiful and intimate exchanges between performers – the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio's blog, <http://blog.ericax.com>.
