"Mom's Cuckold 9" features 5 clueless husbands forced to watch their wives pleased by well-hung, black men. Diana and her husband go to parent/teacher night for their kid, but it's the husband who gets put in the corner. Devon and her hubby are considering having a baby, so the good doctor examines Devon's body quite thoroughly. Layla is an aspiring artist, and her husband encourages her until her nude, endowed model shows up. Margo visits her executive husband at the office, but she's much more impressed with the janitor's skills than her man's. Zoey is throwing a birthday party for her child, but the hired magician decides to make her clothes disappear.

"The more I watch Reality Junkies releases, the more I become impressed with them as a company," states AdultDVDTalk.com reviewer Rosco Fuji. "They really have their act together when it comes to putting out product and 'Mom's Cuckold 8' continues with the professionalism...If you're a fan of the I/R Cuckold genre, you'll love this. This is a great release."

Director Bobby Manila says, "Humiliation breeds horniness in 'Mom's Cuckold.' The series is popular for the very reason all Reality Junkies series have developed such huge followings – consumers' fantasies are turned into a wild, XXX reality."

All Reality Junkies releases are packed with special features. "Mom's Cuckold 9" includes behind-the-scenes videos, solo performances, a slideshow gallery, and cumshot gallery.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
