"Naughty Neighbors: Volume 3" on DVD will begin shipping to retailers around the world June 20, with a June 27 street date.

In "Naughty Neighbors: Volume 3," Jessica and Dick (Jessie Andrews and Dale Dabone) live together in a sweet, love-filled house, until the house next door becomes invaded by the wild young couple Rachel and Frank (Lily Carter and Richie Deville). Jessica welcomes the new neighbors, but what she doesn't know is Dick and Rachel aren't exactly strangers. Illicit affairs and passionate sex rock the sleepy suburbs.

Much like James Avalon's debut project for Mile High Media, "Exchange Student 3," the famed director provides the erotic series with his own unique vision and expertise. "Naughty Neighbors: Volume 3" was shot on the Canon 5D for premium HD quality.

"I love using the suburbs as a backdrop for my movies," states James Avalon. "In 'Naughty Neighbors,' I was able to explore the false security

the suburbs provide. While we're sheltered from physical dangers, the isolation causes many to create their own psychological dangers instead. 'Naughty Neighbors' shows what happens when a little reckless excitement moves in across the street – the façade begins to crumble."

James Avalon's features tend to be more than just quirky and interesting, with a penchant to cater to "the thinking man" who wants porn, while maintaining a reputation for keeping hard, intense and varied sex in his movies. Avalon competes well with the sexual intensity and hardcore level of most any style release, as demonstrated by winning over 20 adult awards in categories varying from *Best Group Sex Scene*, *Best Couple* and *Best Oral Sex Scene* to *Best Director*, *Best Film*, *Best Editing* and *Best American Film*.

Combining a strong sense of story, character and visual style, his recent romance films have also gained impressive recognition. Avalon won *Best Straight Film Of The Year* (2011) by the Feminist Porn Awards, and his work is one of only three straight features from across the globe accepted by the Berlin Porn Film Festival, to showcase the new trend in realistic sex driven by realistic characters.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile

High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
