"Mason blends the beauty and charm of sexy young starlets as they reveal their playful and wild sides in this newest chapter of the sexually charged series," said Jon Blitt, head of production for Hard X's parent company, O.L. Entertainment. "Gorgeous box cover model Liz Jordan proves she is the total package with her freshness and innate sensual talents in this electrifying new release."

"Super Cute 14" celebrates the passion and boundless energy of adorable young stars making their mark in the adult industry. Shot in HD, the movie includes exclusive behind-the-scenes footage, a photo slide show, animated chapter index and more.

The movie follows the critically-acclaimed "Super Cute 13," that AdultDVDTalk's [Captain Jack](#) lauded for its performances. He wrote "This was an excellent release from Mason for Hard X! Lily is a fantastic performer and I've never been disappointed! Lola puts in a volcanic performance! Gizelle is quickly becoming one of my favorites and put in an exciting scene! And Jessie is a great performer and was amazing in her scene!"

Hard X productions use gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, content from Hard X include the wildest, kindest, and dirtiest sex available to fans, all featuring Mason's trademark style.
