In the 3rd volume of the bestselling series, Jessie is the new girl at Dana's massage parlor, where she meets Marcus, an older man with a kind heart. Marcus ends up being the father of Riley, Jessie's friend. The two keep running into each other, awkwardly trying to hide their attraction, but attraction always pulls together more than it can keep apart. Sweet Sinner delivers an honest take on lovemaking and passion in this story of forbidden desire directed by James Avalon.

Riley Reid earned the title of Mile High Media Porn Star of the Month in October. Through social media platforms Twitter and Facebook, fans cast their votes for Reid.

“Riley is one of the top new stars,” says Mile High Media Vice President Jon Blitt. “Riley and talented young performers like Jessie Andrews breathe new life into the adult industry. We are committed to providing a wide array of performers in our movies, from newcomers to fan-favorites.”

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
