"Stacked," available on DVD January 15, is a celebration of sexy and voluptuous vixens loaded with titanic tits. It features lots of boob smothering, tit humping, and money shots exploding over big, natural breasts. Fans can enjoy this assemblage of beautiful, curvy girls hungry for sex in full 1080p resolution.

O.L. Entertainment President Claude Hyppolite says, "One of the best things about Mason is the way she can completely reinvent a genre or niche. Fans may think they've seen all there is to see from a big tit movie, but 'Stacked' is going to reinvigorate them and leave them wanting more."

"Stacked," like all Hard X and O.L. Entertainment productions, uses gorgeous locations and high-end production values to capture the beauty of the performers and the passion of the sex. In contrast to its sister studio, Erotica X, movies from Hard X include the wildest, kinkiest, and dirtiest sex available to fans, all featuring Mason's trademark style.

Hard X and Mason are nominated for multiple awards at the upcoming 2014 AVN and XBIZ Awards, including New Studio of the Year and Director of the Year. Hard X's nominated movie "Anikka" is also up for multiple movie and scene awards.

The trailers and box art for Hard X's releases are available through the

studio's blog, located on the splash page for its upcoming official website – www.HardX.com.
