In addition to the beautiful babes with the bountiful breasts, “Big Tit Fantasies,” stars Manuel Ferrara, Johnny Castle, Mr. Pete, and Alan Stafford.

In the first scene of “Big Tit Fantasies,” Johnny gets pulled over for driving with an expired license, but he is able to talk Bridgette out of the ticket and her clothes. Manuel hands in his report to boss Ava in scene two, but he has to go the extra mile if he wants any credit. During her cheerleading tryout in scene three, Siri’s massive, bouncing tits cause Alan to pass out, and its up to her to blow some life back into him. In the fourth scene, Mr. Pete is having a hard time focusing on what Destiny is teaching, so she keeps him after class to find out what’s distracting him.

“Who doesn’t love big breasts?” asks Director Bobby Manila. “‘Big Tit Fantasies’ is all about giving fans fun, new ways to enjoy the best tits in the industry. Seeing nice cleavage can cause men and women to fall into a trance, and this series tries to capture what some of their daydreams might be.”

Mile High Media formed Reality Junkies in 2009 to produce XXX reality content. Bobby Manila, Kevin Moore, and Mike Quasar direct the studio’s hit series. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
