In the movie's first scene, Kimberly persuades her nervous date, Dana, to venture into uncharted territory when she buries her face into Dana's round rear. Dance instructor Vicky helps lonely trophy wife Kirsten feel sexy again, both beauties paying extra special attention to each other's toned tushies. Narrow minded Keira has a run in with queer activist Sinn, who shows Keira the benefit of opening up. Honor society president Claire confronts slutty member Lola after Lola has raised too many eyebrows with her booty revealing attire. Both girls resolve their differences, and Claire loosens up with her face buried in Lola's bouncy bottom. It's four scenes of grade-A ass worship.

"I have a confession," admits Dana Vespoli. "I have a thing for asses, so 'Lesbian Analingus' is actually a way to fulfill many of my kinkiest fantasies regarding ass play. Working with Kimberly was a memorable experience, though it was definitely difficult to keep from jumping in during the other three scenes as well."

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
