

ICON MALE'S DEBUT TITLE, FORGIVE ME FATHER, RELEASES

From Award-Winning Director Nica Noelle & Mile High Media, Icon Male's Debut Release 'Forgive Me Father' Features Gay Super Stars Ty Roderick and Casey Tanner.

MONTREAL, Quebec (July 16, 2014) –New gay romance studio Icon Male's first release, "Forgive Me Father," is now available on DVD. From Mile High Media and award-winning director Nica Noelle, "Forgive Me Father" features Ty Roderick, Nick Capra, Lance Hart and Trenton Ducati confessing their sinful homosexual desires in four lustful vignettes.

"Forgive Me Father," also stars power bottoms: Casey Tanner, Armond Rizzo, Tommy Defendi and Seth Santoro.

"In this series, parishioners go into the confessional booth seeking forgiveness, and as they confess we revisit the sins they've committed. There's something about the anguish of sinning, of trying so hard not to give in to temptation and failing, that really appeals to me in terms of erotic storyline," says Nica Noelle. "'Forgive Me Father' is structured along these lines. I'm really proud to present this as the debut release for Icon Male, it represents the type of films you can expect for my new studio."

Jon Blitt, vice president of Mile High Media, says, "Icon Male's first release is already a complete success. Nica once again is creating unique and exciting erotica that fans are craving. 'Forgive Me Father' has topped the VOD charts in its first week on AEBN, and preorders are incredibly strong. We have a blockbuster on our hands. What a great way to launch a new gay studio."

In Volume 1 of this emotional new series director Nica Noelle takes you inside a priest's confessional, where tormented parishioners beg forgiveness for their sins of the flesh. From guilt-ridden teacher (Nick Capra) who falls in love with troubled, young student (Armand Rizzo), to former priest (Lance Hart) who left the church when his desire for parishioner Tommy Defendi became too much to bear. We also find devoted husband (Trenton Ducati) tortured by shameful lust for his hot young brother in law (Seth Santoro), and young, swaggering soldier (Ty Roderick) who unexpectedly falls for "pretty boy" Casey Tanner. Real sex, real positions, real orgasms, no dissolves.

Movies from Icon Male will be unique to the gay marketplace and embody what fans have come to expect from Nica Noelle and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

Other Icon Male series slated to release include WWII period piece “Prisoners of War”, “Men Seeking Men”, and “Forbidden Encounters”. For Icon Male sales and distribution contact Mitchell@mile-high-media.com.
