Young starlets Kelly Diamond, Katerina Kay, are also featured in “Student Bodies 2,” along with Chad Alva, Evan Stone, and Xander Corvus. James Avalon wrote and directed the movie.

Sexy but scheming schoolgirl Kyra (Cruise) hates everything – school, teachers, and especially Zadie (Calvert), who is messing around with the boy she'd like to date. It's time to put down the homework and get busy screwing things up for Zadie, and a teacher or two, in a very big way!

Mile High Media Vice President Jon Blitt says, “James Avalon has created another great Sweet Sinner production that is fun and flirty – perfect for men and women to enjoy separately or together.”

In a review of the series' first volume, [XCritic.com](http://XCritic.com) contributor Don Houston wrote, “‘Student Bodies’ provided some strokable good times courtesy of a great cast of ladies paired off with some high end males, the light feature elements enhancing the replay value as the gals came across as fresh but slutty – a great combination.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Icon Male (Gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led [AEBN.net](http://AEBN.net) to name Mile High the 2012 Studio of the Year.
