MONTREAL, Quebec (September 4, 2014) – Mile High Media's "Lesbian Analingus 5" is now available, featuring sensual, all-girl ass play. Eight stunning women, including cover girls Adriana Chechik and Sandy, are captured in four erotic scenes from Sweetheart Video.

In the fifth volume of the popular series, conniving celebrity blogger Dana is confronted by up and coming starlet Riley, who is the latest victim of Dana's smear campaign. Luckily, the girls are able to resolve their differences through the art of sensual ass eating. In scene two, best friends Cherie and Ava peruse dating sites, only to discover they have more to offer each other than anyone online, as they delight in each other's ample backsides.

In the third scene, popular rich kid Siri comes head to head with her creepy-yet-hot stepsister, Tara. In their struggle for power, they discover their hidden mutual desire. Finally, in the fourth scene, two competing supermodels – Hungarian beauty Sandy and East Coast babe Adriana – engage in a catfight of epic proportions after Sandy loses her undefeated title to the younger model. However, the stunners give up the fight when they get a handful of each other's shapely buttocks... and then a handful becomes a mouthful. Real orgasms abound in this smoldering edition of "Lesbian Analingus"!

"The art of analingus is extremely sensual and erotic, but the stigmas around ass play unfortunately have a lot of people hesitant to indulge in it," says Dana Vespoli. "I hope seeing the gorgeous girls of 'Lesbian Analingus' helps people shed their inhibitions and give in to their sexual nature."

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
