"A lot of people don't realize that many men struggle with the urge to have a gay encounter. Whether they're just curious and want to explore, or just completely in the closet and living a lie, as Nick Capra portrays in his scene with Jessie Colter," says Nica Noelle. "It's both a fantasy and a reality to experience another man sexually. In this series, we try to delve into that psychology a little bit."

In this compelling new series, four men step out of the closet to find the sexual encounters they crave. Married, frustrated stud Nick Capra meets up with model Jessie Colter to experience male love for the first time. Released felon Tommy Defendi finally meets unexpectedly hot prison pen pal Matt Stevens, and cocky Ty Roderick agrees to initiate shy young virgin Davey Anthony. Finally, jacked bodybuilder Trenton Ducati meets up with sultry, young Ludo Sander for a sexy workout date. Real sex, real positions, real orgasms, no dissolves.

Movies from Icon Male will be unique to the gay marketplace and embody what fans have come to expect from Nica Noelle and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

Other Icon Male series slated to release include WWII period piece "Prisoners of War" and "Football Hero".

### **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
