“Lesbian Stepsisters” stars Pepper Kester, Veruca James, Lola Foxx, Misha Cross, Miley May and Sovereign Syre. Dana Vespoli directs the erotic movie, containing four girl/girl sex scenes.

In the first volume of “Lesbian Stepsisters,” Pepper plays Sydney, a reclusive and shy teen that lives in a world of books and nature. Her world is turned upside down after her rebellious stepsister comes to live with her. Carrie, played by Miley May, is everything Sydney is not: loud, aggressive, promiscuous, and rebellious. Both girls engage in a power struggle as Sydney finds herself at once repulsed and attracted to her new sister. Sydney begins to discover things about her, both frightening and exciting, as Carrie continues to challenge the safety and order of Sydney's world.

“We're all really excited to push the boundaries of sexual taboos with our new series, ‘Lesbian Stepsisters,’” says [Dana Vespoli](http://www.milehighonline.com). “Part of what makes the romances in the series so hot is the forbidden nature of sleeping with your stepsister.”

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
