In volume 2 of the hit Icon Male series, we peek in on four forbidden encounters between secret gay lovers. Liam Harkmoore seduces married, straight college professor Rob Yaeger, while Aaron Slate tracks down estranged step-dad James Hamilton to confess his love for the older man. Best buddies Alex Greene and Ty Roderick cheat on their unsuspecting girlfriends to hook up with each other, and Liam Harkmoore confronts Alex about his cheating ways, only to be taught the hottest lesson he'll ever learn. Written and directed by Nica Noelle.

Nica goes on to talk about the standout cast saying, "In this volume, I had a chance to work with Aaron Slate again, whom I haven't worked with in over a year, and boy did he grow up! Rob Yaeger is one of the most compelling actors in adult film, and his scene with Liam Harkmoore is filled with emotional nuance. It's a scene not to be missed."

consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications.
