In the series' newest volume, hippie nudist Sara is too much for conservative roommate Karlie; the two get into a heated argument and anal play is the only solution. Vacationing singleton Dani spies the nicest ass she's ever seen at a secluded resort – it belongs to AJ, who also has a thing for a nice, round bootie. In the third scene, moody Goth girl Violet hates being on a mandatory nature retreat, until youth counselor Serena takes a special interest in her and her assets. Finally, Anikka meets with her jilted former lover Dana, who begs for one last go at the blond beauty's behind.

Director Dana Vespoli says, “This series really shows a more sensual and erotic side to ass play. It's one of the most sensitive areas on the body, and the girls of ‘Lesbian Analingus’ take the time to coax every orgasmic sensation out of their partner. I know I couldn't help myself with Anikka's amazing ass.”

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.
