"The hot girls of 'Big Breast Nurses 5' make the heart skip a beat," says Bobby Manila. "Their huge, beautiful boobs have the power to cure any ailment. The 'Big Breast Nurses' series is a fun twist on one of our most sought after fantasies."

Nurse Asa is willing to do anything to help her patient recover from memory loss... even if it means retracing his recent sexcapades. When a patient's insurance coverage is up, Nurse Brandi is faced with the BIG task of getting him to leave the hospital. She can be quite persuasive. Charley isn't really a nurse, but she dresses up as one to get a little action from her favorite doctor. Nurse Jaymes is fed up working double shifts and has it out with her boss. The two find a way to get exactly what they want. When a patient is showing some peculiar symptoms, busty nurse Evans has a creative remedy that might just work.

Mile High Media formed Reality Junkies in 2009 to produce XXX reality content. The studio's lines are directed by Bobby Manila and Kevin Moore. Each line provides easily accessible scenarios, which allow for consumers to better enjoy the wild action. In addition to "Big Breast Nurses", Reality Junkies' hit series include "Mom's Cuckold", "Babysitter

Diaries”, “Cougar’s Prey”, “Couples Seeking Teens”, “Office Perverts” and more!
