Donning plaid skirts alongside Dakota and Keisha are newcomers Alaina Kristar and Ariana Grand. "Student Bodies 3" also stars Erick Everhard, Mr. Pete, Seth Gamble, and Steven St. Croix. Mature beauty Veronica Hart guest stars as Dakota's mother.

The young, gorgeous female students of "Student Bodies 3" lust after their male teachers, filling their composition books with hearts and illicit drawings. Even Dakota, who is saving herself for marriage, has fantasies about her instructor.

"This series is a home run for us," states Mile High Media Vice President Jon Blitt. "While Mile High offers the largest selection of genres in the adult industry, young girls in plaid skirts will always be a top seller."

"'Student Bodies' provided some strokable good times courtesy of a great cast of ladies paired off with some high end males," wrote [XCritic.com](#) reviewer Don Houston in his assessment of Volume 1. "Fresh but slutty – a great combination."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Icon Male (Gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
