"I love this series because it really allows the sexual tension to build between the performers and gives us a chance to linger on delicious close ups of the nude male body," says Nica Noelle. "It's sexy to watch the subtle changes in expression and body language as the guy on the table gets more aroused and starts letting down his guard."

Theo Ford and Alex Greene captured the DVD cover of "Gay Massage House 3," Noelle commented on the stunning pair saying, "Theo Ford is probably one of the most beautiful men I've ever seen in my life, and this was my first experience working with him. To say I was impressed is a huge understatement. What he brings to the scene is something that has to be viewed to be appreciated. He's pretty much like a living God and I think he's going to be a huge superstar."

Noelle continues, "Alex Greene is one of my favorite models of all time to work with. He's beautiful, but so humble and understated. He always hits exactly the right note, and his scenes are always intense and authentic. Theo and Alex together was an ultimate pairing."

Icon Male's sexy massage therapists return in volume 3 to help hot, closeted gay men face their true sexuality. Muscular Jessie Colter gets to the bottom of "straight" guy Andrew Fitch's tension and anxiety, while stunning Adonis Theo Ford saves athletic Alex Greene from marrying into a life of frustration. Andrew Fitch returns to give brooding stud Colton Grey some much-needed sexual healing, while Brock Avery seduces uptight corporate lawyer Rob Yaeger.

#### **About Mile High Media:**

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led [AEBN.net](http://AEBN.net) to name Mile High the 2012 Studio of the Year.
