"The Stepmother 12" focuses on a mother/daughter con artist team about to take down a recently divorced tycoon (Stone). The play goes awry when the mother (DeVille) begins falling for the mark's son (Alva). In an attempt to salvage the con, the daughter (Rone) takes things into her own hands.

"Some women have a sexuality about them, which transcends generations, appealing as much to men twice their age, as men half it," says [James Avalon](#). "Cherie DeVille is one of those women. She is pure sex – the perfect woman to make men of all ages weak in the knees."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
