**MONTREAL, Quebec (July 8, 2015)** – [Mile High Media](#)'s new erotic movie, "Father Figure: Volume 8," features a cast of young starlets headlined by Keisha Grey. The James Avalon helmed flick includes four stories of young girls enamored by older men. Elektra is a naughty nymph who needs a little persuasion from her agent to show up for work. Keisha gets a private lesson with her favorite writer. Shauna may not be familiar with her boyfriend's actor father, but she knows a great kiss when she gets one. Josie has some issues that only her therapist can get to the bottom of.

Opposite the sexy starlets are male adult stars Alec Knight, Evan Stone, Steven St. Croix, and Marcus London.

"It all boils down to chemistry when casting older/younger movies about seduction," states Mile High Media Vice President Jon Blitt. "James finds performers who can't keep their hands off each other, making for some really hot scenes. Volume 8 of 'Father Figure' is the perfect example of this."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
