"This was our first time working with Hunter Page, and I thought he was fantastic," says Nica Noelle. "The chemistry between Hunter and Nick Capra was so hot and at the same time it had an almost touching quality, due to the storyline."

"Wolf Hudson and Adam Russo have one of the most explosive scenes in the movie," continues Noelle. "It begins with Adam looking down his nose at Wolf after taking him for a typical street punk. Needless to say, Wolf puts him in his place and looks extremely sexy doing so. Fans will definitely want to see it for themselves."

Daddies love them young and hung, and that's what they find in the second volume of the hit series from Icon Male. Adam Russo looks down his nose at potential real estate client Wolf Hudson, until the hot, young stud shows the older Daddy who's really in charge. Nurturing Daddy Nick Capra comforts hurt young houseboy Hunter Page, while Matt Stevens has a romantic interlude with forbidden young lover Sean Cross. Meanwhile, bear Daddy Brad Kalvo brings both of his hot young boy toys together for a night of decadent three-way fun. Written and directed by Nica Noelle.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for

American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
