"Hot Bodies" is the newest series from award-winning studio Hard X. It showcases the industry's sexiest performers in hot and sweaty workout action, whether stretching, lifting weights to tone their upper body, or doing squats to tighten their fine bottoms. Mason teases viewers with the long, hard, and wet fitness scenes before showing off the ultimate cardio exercise – sex. Abella even goes one step further for an anal cool-down session.

"This new release is sure to be a top seller if the website popularity is any indication," says head of production, Jon Blitt. "It's the perfect combination of what Mason excels at—a very sexy tease sequence and the most hardcore sex. Her casting completes the fantasy with the hottest and most beautiful ladies."
