Wanting to add more spice to their exciting sex lives, various couples experiment with acts they've never tried before in the fourth volume of "Love Stories." Threesomes, anal sex, and a little kinky bondage play are all part of the sexual escapades in three boy/girl scenes and one boy/girl/girl threesome.

"We took things up a notch in this volume of 'Love Stories,'" says Avalon. "However, regardless of the fact the sexual acts are a bit more intense, we still focused on the connection between the performers. Love takes many shapes, which definitely shows in Volume 4."

"Love Stories" is an exceptional celebration of passion and romantic devotion. Originally conceived by award-winning director Mason, the series features a collection of creative and sensual exchanges in beautiful locations, which are captured entirely in 1080p HD. It's a must-see, enchanting, and tantalizing portrayal of real couples immersed in tenderness and sensuality.

Avalon's first project for Erotica X was the critically acclaimed film "Polyamory," which received four stars from AdultDvDTalk.com.

In addition to releasing "Love Stories: Vol. 4" on DVD, all four scenes are available to members on Erotica X's site, EroticaX.com. All content on EroticaX.com is 100% exclusive and filmed in HD. Each week, the site will receive three updates – two HD photo sets and one HD video.

Scenes from EroticaX.com are unlike anything else on the marketplace and a slight departure from what fans have come to expect from Mason. Erotica X features beautiful and intimate exchanges between performers; the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio's blog, <http://blog.ericax.com>.
