In "The Cougar Club 3: The Sex Pact", busty cougar Deauxma comes to visit her old friend Nica for the weekend. While gossiping, Deauxma confesses her new affair with teenage lover Frederick Way. Nica is shocked, but can't deny Deauxma seems happier than ever. While having lunch with friends Michelle and Magdalene, Nica shares the details of Deauxma's exploits. Fun-loving Michelle thinks they should all follow Deauxma's lead and make a pact to seduce young men. Each of the friends has 30 days to become a "cougar". Nica refuses to play along, until her daughter's ex-boyfriend Rocco shows up. He's down on his luck and in desperate need of a "mommy figure". Michelle has her sights set on personal trainer Xander Corvus, while reserved Magdalene fears she isn't meant to find a young lover, until waiter Anthony Rosano fills her order.

"We live in an exciting time, where older women are shedding social confines and embracing their sexuality," says Nica Noelle. "I recently had an article published on the cougar phenomenon and what it means to me personally to be in this period of my life. Every year I feel more in tune with my body and more sexually empowered than when I was younger. This translates to a confidence younger men are attracted to. It's this

dichotomy I look to capture in my MILF and cougar series like 'The Cougar Club'—strong, liberated women exploring a new stage in their lives.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple orientated erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
