In the 10th installment of “Strap-On Specialists,” older women show younger girls how strap-on sex can bring them even more intense orgasms. The first scene features eccentric human sexuality professor Nina, who breaks in her new teaching assistant, Sara, by showing the young girl how lots of oral sex and strap-on penetration are a recipe for success. In scene two, bratty Janice loathes her mom's girlfriend, Aiden, and after Aiden catches Janice making fun of her, the older woman uses her strap-on to teach Janice a valuable lesson in respect.

Karlee comes home from school early in scene three and finds stepmom Mercedes wearing a strap-on. After Mercedes explains to Karlee that the strap-on was meant as a surprise for her husband, she shows the teen how perfectly natural strap-on sex is. Finally, building contractor Dana is dismayed to find her clients are not home, instead leaving their spoiled daughter Aria to oversee everything. Dana goes head to head with the young girl, finishing her off with a strap-on surprise.

“This is one of our most popular all-girls series,” explain Mile High Media Vice President Jon Blitt. “The power dynamics from the strap-on theme is a huge crowd-pleaser, and of course, it's got all the genuine passion and chemistry Sweetheart Video is known for.”
