SWEET SINNER DEBUTS FIRST VOLUME OF HOT, NEW SERIES, "THE SECRETARY"

Kristina Rose Stars in a Twisted Tale of Lust & Desire!

MONTREAL, Quebec (June 1, 2011) - "The Secretary" is the newest erotic series to release from acclaimed studio Sweet Sinner. Mile High Media's couples-friendly studio will release the first volume of "The Secretary" on DVD June 1. Written and directed by Nica Noelle, "The Secretary", like all Sweet Sinner titles, balances intriguing plot lines with hardcore, real sex. Kristina Rose stars in the movie as an obsessed girl willing to do anything to make her boss notice her.

In "The Secretary", beautiful receptionist Kristina Rose is tired of answering phones and being overlooked by hot, young attorney Danny Mountain. When she finds out Danny needs a new assistant, Kristina entices sexually frustrated firm partner Randy Spears into giving her the job. As the work-obsessed Danny continues to ignore her, Kristina grows increasingly psychotic and decides to pull out all the stops to get her man. "The Secretary" is a twisted tale of lust and desire spinning dangerously out of control.

Also appearing in "The Secretary" are Zoe Voss and Rocco Reed. As is typical in a release from Sweet Sinner, all the cast members are highly praised for their strong acting abilities, in addition to their fine sexual performances.

Nica Noelle says, "There are many jobs that require two people to work in a close, intimate proximity of each other. Lines are sometimes crossed, and often the two become involved in something transcending a normal work relationship. In our new series, "The Secretary", I wanted to explore what happens when one person feels more strongly than the other, and lust turns to obsession. Kristina and Danny do an amazing job performing in this erotic thriller."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple orientated erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Hardcore Parody (parody line) and Sweet Sinema (classic Hollywood adaptation line). With over 1500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. For more information,
