When Xander tells his girlfriend Natasha he has to leave to go watch his little brother, Natasha offers to help babysit, so they can spend more time together. Thinking of all the hot sex they can have, Xander agrees to the plan. However, his mom, Raylene doesn't like the way her husband looks at the curvy young girl and decides to replace Natasha with her best friend's daughter, Melanie. Xander falls for the Latin beauty and dumps Natasha, much to Raylene's delight. The evil plan begins to backfire when Christian learns he may never see Natasha again. "The Babysitter 4" shows why a horny husband should never be left alone with the babysitter – especially a babysitter with a score to settle.

"What a great cast," says Nica Noelle. "Raylene is extremely successful, and Natasha and Melanie are definitely two stars on the rise. The guys are also amazing. Xander blows my mind every time I see him in front of the camera, and Christian is dynamic. The deep chemistry everyone has in 'The Babysitter 4' propels the movie and really makes the love scenes passionate and powerful."

In his review of "The Babysitter Volume 3", Xcritic.com contributor Apache Warrior wrote, "Everyone in the cast is super and acts their roles very effectively. Nica Noelle deserves credit in putting together this talented group of people that deliver exciting sexual performances. The viewer easily gets sucked into the action. As a matter of fact, the audience will want to be a part of the very good kissing and blow job moments."

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinner provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
