“My Mother’s Best Friend Volume 4: Lost in Time” stars legendary Julia Ann. Julia’s friend Nica expresses worry about her troubled son, Xander. Julia offers to take the young man under her wing and help set him on the right track, but she soon discovers Xander is not the innocent young lad she remembers. The sexual tension between Julia and Xander is overwhelming, and soon the two begin a secret love affair. Angered by the relationship, Nica intervenes and arranges a marriage between Xander and young Lily LaBeau. Julia is faced with the hard decision to set Xander free or give into her love and obsession.

The all-star cast for “My Mother’s Best Friend 4” also includes guest appearances by Magdalene St. Michaels and J. Crew.

Nica Noelle says, “Consumers love the older woman / younger man affairs highlighted in ‘My Mother’s Best Friend’. For the 4th volume, I wanted to give fans a treat by taking them back in time. Julia Ann and Xander are trapped in an era of external refinement and internal eroticism. They are forced to keep their passion a secret, heightening the tension in this tale of

love and obsession.”

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple orientated erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
