When the single parents of hot teens Calvin and Troy decide to get married, the two young men are forced to regard each other as brothers. Gorgeous, self-assured Calvin quickly gets the upper hand over shy, self-conscious Troy, and soon tensions begin to mount between the two hung young studs. When Troy walks in on Calvin having sex in his bed with sexy Andrew, the frustrated teen decides he can take no more. Rage turns to passion, and the boys have to decide whether to act on their desires.

"Nica is a master at taboo family dramas," says Mile High Media Vice President Jon Blitt. "From her past movies with Sweet Sinner and Sweetheart Video to her new movies with Icon Male and TransSensual, fans love the way she creates sexual tension between siblings."

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
