"We are so excited to give fans of Sweet Sinner a second film from Jacky St. James," says Mile High Media Vice President Jon Blitt. "Her first film was a massive hit with critics and porn customers, and now she's laid the groundwork for an exciting, new series of the taboo variety."

"Sibling Seductions" stars Cassidy Klein, Karla Kush, Elsa Jean, Aidra Fox, Logan Pierce, Lucas Frost, Tyler Nixon, and Chad Alva.

A little persuasion goes a long way in "Sibling Seductions," when sisters can't get what they ultimately want – their stepbrothers. The film features two taboo storylines. Meet The Manipulator - Karla has it bad for her stepbrother, Tyler, only there's one problem: his girlfriend, Cassidy. Karla sets out to sabotage Tyler's relationship, but when her efforts succeed, she's left wondering if he will see her as a potential love interest or fight to win Cassidy back.

Story two is The Virgin - Logan's longtime girlfriend, Elsa, has given him everything he could possibly want... except sex, and now he's at his wits end. His seductive stepsister, Aidra, has offered to help "give him a hand." But when Logan does the unthinkable, he's left wondering whether Elsa was right to hold off her virginity for a dirtbag like him, or is she holding out for someone a little closer to home?

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award.
