"Cougar's Prey: Volume 6" features 5 hot scenes of seduction and pleasure, including an anal scene with Nicki Hunter. After being blown off by her boy toy, Ava desperately tries to find a quick fill in. Fed up with getting attitude from her son's friend, Nina decides to teach him a lesson he'll never forget. Having only worked with younger wards, super nanny Tanya has her work cut out for her with her latest job. Ariella's daughter brings her boyfriend home to meet Mom, but the two are already well acquainted. Nicki's patient has been having some graphic dreams that she very much wants to anal-alyze in detail.

Director Bobby Manila says, "I love the MILF phenomenon because it allows me to work with performers like Nina and Nicki. These women are in their prime and are sexually freakier than ever."
