Tale One: Chanel sets out to get revenge after discovering that her husband is having an affair with his secretary, Alexis. But, when Chanel finds herself desperately attracted to Alexis' finance, the tilted wife begins to wonder if she too can be a mistress.

Tale Two: Michael and Lily's marriage becomes volatile after they hire a seductive, but capable, new babysitter, Abella. Eager to keep the peace, Michael struggles to appease his jealous wife while indulging in a secret, dangerous flirtation with this youthful beauty.

"The Mistress" also stars Michael Vegas, Donnie Rock, and Chad White.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment.
