"We are anticipating another top seller for Icon Male," says Mile High Media Vice President Jon Blitt. "It's a perfect older-younger concept playing off the daddy fetish with the help of Hugh Hunter, who is a great actor and performer in this role. This film has the potential to be a long running series."

When young stud Kory Houston's mom gets remarried, the sexy teen meets his new uncle (Hugh Hunter) and can't help but develop a crush. With his mom off on her honeymoon, Kory slowly gets to know the muscular older man, and finds he has quite a sex life. Meanwhile, Kory settles for being a booty call to his math tutor (Mason Lear) But when Mason discovers his main boyfriend (Roman Todd) has been fucking Kory's uncle, all bets are off in this fanciful romantic drama.

Movies from Icon Male are unique to the gay marketplace and embody what fans have come to expect from directors Nica Noelle and Dana Vespoli, and Mile High Media – genuine and intimate exchanges between performers featuring forbidden sex, emotion and compelling storyline.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 20 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line) and recently launched Icon Male (gay romance line). With over 2000 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN.net to name Mile High the 2012 Studio of the Year.
