"Sweet Sinner has always been known as a couples-friendly adult studio, and Jacky's continuing our mission of compelling stories and real passion, while adding even more edgy, taboo content for the company," says Mile High Media Vice President Jon Blitt.

"I think that people often make the mistake that couples-friendly and female focused porn means romantic and pretty, but there's much more to it than that," adds Blitt. "Sweet Sinner's movies are complex and varied, just like its fans."

In "Fathers & Daughters," young Charlotte returns home only to find she is still haunted by her memories of a past affair with her stepfather. It doesn't help that her attraction to him is stronger than ever. Desperate to right past wrongs and determined to honor the deep love and admiration she has for her mother, Charlotte struggles to resist the growing temptation she feels for the only man that she can never have again.

"Fathers & Daughters" stars Gia Paige as Charlotte and Marcus London as her stepfather. The cast includes erotic performances from Reena Sky, Chanell Heart, Ryan Mclane, Tyler Nixon, and Mick Blue.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. ## About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award.
