"We're kicking off this new Sweetheart Video series with a bang by casting some of the A-list girl/girl performers," says Mile High Media Vice President Jon Blitt. "This is a cast that grabs your attention, and it's a movie that will have you re-watching over and over."

The first volume of "Squirting Lesbians" begins when gorgeous MILFs India and Nina meet up for a quickie, cheating on their husbands in the process. They make each other squirt, driving each other wild. Jeanie Marie helps put Mia's mind at ease, reassuring her friend that squirting is hot. Sexy MILF Brandi has to break things off with her son's girlfriend, Adriana, but not before Adriana convinces her to go for one more round, getting her all wet in the process! Finally, AJ gets more than she bargained for when masseuse Dana shows up for her at-home massage. Dana gives her the rub down of her life, resulting in puddles of pleasure.

Sweetheart Video's goal is to create original, innovative girl / girl erotica for the discerning viewer. Sweetheart films are storyline-driven, carefully cast, and always containing real sexual encounters between women who truly want to be together.

About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award.
