Written and directed by newcomer Ricky Greenwood, "Confessions Of A Sinful Nun" marks his debut in adult cinema. The film is set to release late this summer.

Greenwood comments on the trailer saying, "I'm excited to share some footage from my first feature. It's just a glimpse, but it's sure to peek curiosity for what is coming, and showcases how perfect Charlotte Stokely is in her role as a conflicted nun. I want to give Sweetheart fans the ultimate cinematic experience while capturing all-girl eroticism in 'Confessions of a Sinful Nun' and this trailer sets the sinful tone flawlessly."

"Confession Of A Sinful Nun" follows devout Sister Charlotte (Charlotte Stokely) as she lives a peaceful life with her other sisters. Unfortunately, everything will change when Sister Lily (Lily Adams) arrived to the convent. Sister Charlotte is suddenly seduced by the temptation of another woman. This attraction will shatter everything she believes in. Meanwhile, Mother Superior (Nina Hartley) will have to deal with other forbidden behavior around the convent.

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (gay romance line), TransSensual (TS romance line) and most recently Cherry Pop Films (all teen gonzo line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications. Mile High is a continual trendsetter, earning [AEBN.net](#) 2012 Studio of the Year title and FSC 2016 Production Company of the Year award.
