"Over the years, Buck Angel has done so much to breakdown barriers both in the adult film world and in our larger society," says Mile High Media Vice President Jon Blitt. "We felt it was important to give him the platform to share more of himself with fans, and having Dana Vespoli at the helm made this a revolutionary showcase feature."

"Buck Angel Superstar" explores the darker side of fame—the loneliness and isolation that comes from the public only wanting a performer's persona. Buck tumbles from one superficial encounter to another, as he battles jet lag and work, until he meets Mandy, an escort he hires to keep him company on a trip to Los Angeles.

Dana Vespoli comments on the groundbreaking film saying, "I had the opportunity to make something unique and original with Buck Angel—something that didn't follow in the pattern of a typical star showcase or studio title. So I decided to focus on something unique to him. Buck is an icon who transcends his genre. I thought about what it means to be a celebrity, and to represent so much to other people, and the feeling of isolation that comes from being wanted by so many people. *Buck Angel Superstar* explores those feelings. It was a true pleasure to work with him and the entire cast on this project."

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (gay romance line), TransSensual (TS romance line) and most recently Cherry Pop Films (all teen gonzo line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications.
