

SWEET SINNER & JACKY ST. JAMES ANNOUNCE EROTIC THRILLER 'THE OBSESSION'

Abella Danger & Chanel Preston Lead An A-List Cast In New Psychosexual Feature Film From Director Jacky St. James.

MONTREAL, Quebec (July 20, 2017) – [Mile High Media](#)'s leading erotica studio, [Sweet Sinner](#), announces their psychosexual feature film from awarded director Jacky St. James: "The Obsession." The erotic thriller explores a young woman's misguided obsession with her roommate and its unsettling results, starring porn super stars Abella Danger and Chanel Preston. The film is set for a late summer release.

"The Obsession" A-list cast also includes Adria Rae, Reena Sky, Michael Vegas, Logan Pierce and Jay Smooth.

Jacky St. James describes the film's inspiration saying, "When I met with Mile High to discuss upcoming films, the idea for 'Single White Female' came up and I immediately jumped on the opportunity to do a film loosely inspired by the cult classic. Although the plot of 'The Obsession' is different - it does center around one woman's obsession with her roommate. It is the intensity between Chanel Preston and Abella Danger that creates something truly unique and magical."

St. James continues, "While researching for this film what was most important to me was really getting into the 'stalker' character's head. Motivation and intention are important. Villains typically don't look at themselves as villains. Their internal monologue isn't always riddled with judgment or self-criticism for their actions. I wanted Abella's character, Michele, to have that level of truth - and Abella absolutely brings that. She is one of the most underrated actresses in the business, in my opinion and is capable of more than one would expect (given her popularity in all-sex releases). She brought something that wasn't just on the page - and that's the testament of a true actor. It was one of the few times in adult where I've watched the first cut of the film and said, 'Yes. This movie is exactly what I hoped it would be.'"

“This is a remarkable erotic thriller from Sweet Sinner and Jacky St. James,” says Mile High Media Vice President Jon Blitt. “‘The Obsession’ will have viewers questioning their own notions of sexual desire when admiration turns to obsession. It’s a very gripping and sexy film that I expect to grab major award contention.”

For the latest on “The Obsession” fans can stalk Sweet Sinner online at www.Twitter.com/SweetSinnerXXX and <https://www.facebook.com/SweetSinnerXX>.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her. About Mile High Media:

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Growing market trends and demand led Mile High to create Sweetheart Video (lesbian line), Sweet Sinner (couple line), Reality Junkies (reality gonzo line), Male Reality (gay reality gonzo line), Icon Male (Gay romance line) and recently launched TransSensual (TS erotica line). With over 2500 titles, Mile High’s studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD and mobile applications. Mile High is committed to evolve

alongside consumers tastes, reflecting new developments in technology and entertainment. This philosophy led AEBN to name Mile High the 2012 Studio of the Year and most recently the receipt of FSC 2016 Production Company of the Year award. For more information,
