In "My Girlfriend's Mother: Volume 2," Lily brings home new fiancée, Ryan Driller to meet her mother Magdalene and lesbian stepmom, Aurora Snow. Magdalene and Ryan share an immediate connection, and they soon begin to haunt each other's dreams. So strong is the pull, the couple begins to wonder if their attraction is based on forbidden desires, or if there is a supernatural explanation for their mutual obsession. Timeless love takes on new meaning in this romantic and tragic tale of older / younger love.

Mile High Media Vice President Jon Blitt states, "While Mile High and Nica Noelle recently parted ways we do have a large supply of Nica's best movies still to release. 'My Girlfriend's Mother 2' is the first of these, and I know consumers will embrace it. It is packed with all the themes of love, seduction, passion and romance expected from Sweet Sinner movies. As the company evolves, we will stay true to our foundation and supply fans with the movies they crave."

XCritic.com calls "My Girlfriend's Mother: Volume 1" "highly recommended!" Reviewer Apache Warrior writes, "Even though Joey Brass is the main star of this film, the person who has the most memorable acting performance is Magdalene St. Michaels. Her temptress character with no endearing qualities is one of her best roles in her career and she acts it out with ease and believability. As to the sexual

performances, the Angelina Armani-Johnny Castle lovemaking scene is the most sensually romantic whereas the Zoe Voss-Joey Brass one is the most heated and intense. The non-sex roles are also very effective to the storyline too with the appearances of Veronica Hart and Jay Crew as Joey's parents. There will be very good replay value. I highly recommend this film to couples everywhere..."

Recently Mile High Media announced the inclusion of DVD extras in all future releases from Sweet Sinner and Sweetheart Video. "My Girlfriend's Mother: Volume 2" features a slideshow gallery with beautiful glamour and sex photos from the movie, as well as 2 behind-the-scenes videos.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
