From writer/director Dana Vespoli "The Coven Wives" stars Sweetheart Video's contract performers Cherie DeVille, Alexis Fawx and Brandi Love in a haunting and darkly erotic drama that culminates in their most intense and magical all-girl threesome.

Brandi Love comments on "The Coven Wives" trailer saying, "*The Coven Wives* takes the cake on unique, sensual, naughty and incredibly high energy characters and sex! I am so excited to be a part of this project. The concept is twisted and a tad unnerving pulling the viewer into a real movie full of character development. Dana Vespoli knocks it out of the park directing this tale of mystery and salacious sexual encounters. To start your journey into "Coven Wives" Haley Reed mistakenly opens the door and lets me in while her parents are away. This scene will wet your whistle and give you a glimpse into the unique community Cherie Deville has moved to. Putting the cherry on top of the sundae there is a three-way scene between #SweetheartSisters Cherie Deville, Alexis Fawx and myself that without question is the hottest all girl sex scene I have been a part of. The anticipation of hearing what the fans have to say has me on the edge of my seat!"

Cherie DeVille is equally excited for fans to get a first look at Sweethearts' new film, saying, "This is the scene that I had literally been waiting for my whole career! All of the fans are going to go nuts! I can confidently say this was the best 3-way of my career! I'm so happy to be part of the Mile High family with my sweetheart sisters Brandi and Alexis."

Sweetheart Video's "The Coven Wives" will release on all formats February 7<sup>th</sup>, 2018.
