"This new chapter of this unique series shows the drama, trust and intense passion of adventurous couples willing to explore the swinging lifestyle," said Jon Blitt, head of production for Erotica X's parent company, O.L. Entertainment. "James captures the excitement, chemistry and real orgasms from the talented stars in four scenes of unscripted sex."

"Swingers Getaway 3" is the story of Abella, a young wife who catches the man next door having an affair with a strange woman who is definitely NOT his wife. She's both shocked and aroused, yet she decides to tell the man's wife, a friend of hers, about his illicit affair. But she laughs it off saying she knows all about it. She explains that they have a unique sexual lifestyle and that they enjoy swapping partners with other equally libertine couples. Intrigued, Abella tells her own husband, Chad, about this arrangement. She discovers he's thought about it, after a colleague of his, who's married to a beautiful young woman, suggested a similar proposal. Now intrigued, Abella is willing to give it a try, and discovers she gets off on the idea of cheating with permission.

The DVD features four hardcore sex scenes shot in HD, along with a photo slide show, animated chapter index, movie trailers and more.

Erotica X features beautiful and intimate exchanges between performers – the main focus is on connections and chemistry. The movies are shot entirely on DSLR cameras for visually stunning results. Previews are constantly provided via the studio's blog, <http://blog.ericax.com>.
