Sexy, mischievous Asa Akira is a masseuse with a mission -- to bring every client to physical ecstasy. But head masseuse Bobbi Starr warns the Asian beauty against "happy endings," despite her own weakness for older blonde lesbian Kate Kastle. When new girl Zoe Voss comes on board, Asa tells her to give the clients "what they want," so Zoe gives Evan Stone a "full body massage" – and more. But when Zoe learns Asa's secret agenda, she turns the tables on the gorgeous vixen, and revenge has never been so sweet. “The Masseuse” is written and directed by Nica Noelle.

[Fleshbot.com](http://Fleshbot.com) contributor Ottimo Massimo writes, “This might be the best premise for a massage parlor porn ever: Asa Akira is a masseuse who lives to give her clients happy endings...We guess there are some people who don't want happy endings (maybe they're married or simply not in the mood), but they're downers and don't exist in the porn world...All [Asa] wants to do is bring us closer together, make us love one another, and she's doing it one oily, relaxing, brain-melting handjob at a time.”

Recently Mile High Media announced the inclusion of DVD extras in all future studio releases. “The Masseuse” features a slideshow gallery with beautiful glamour and sex photos from the movie, as well as 4 behind-the-scenes videos.

Watching a Sweet Sinner movie with a lover is part of the appeal of the studio. With real lovemaking and real orgasms, Sweet Sinners provides a new kind of couple oriented erotica. Each sex scene is filmed in its entirety, revealing the true chemistry and connection transpiring on screen. The results are adult movies hot enough for him and passionate enough for her.
