"Dana offers up a sensual new take on the sexy nurse theme with four gorgeous trans women," said Mile High Media Vice President Jon Blitt. "Our talented performers explore the sensual side of the patient/nurse relationship with intensely erotic results in this must-have second chapter of the series."

"TS Nurses 2" opens with sexy nurse Korra Del Rio who has her hands full with handsome patient Lance Hart. She then does her best to reassure him that everything will be just fine. Next, in an homage to "Kill Bill," gorgeous assassin Natassia Dreams, arrives disguised as a nurse to finish off another assassin played by D. Arclyte. Things don't go quite as planned, as things take a pleasurable turn. In scene 3, Gabriel Delassandro is recuperating when his home nurse, Domino Presley, arrives ready to help ease his aches. Finally, emo cutie Ruckus is at home studying when he gets an erotic surprise visit by Natalie Mars, who is a strip-a-gram nurse who has arrived at the wrong house.
