

MILE HIGH MEDIA & CHI CHI LARUE ANNOUNCE NEW STUDIO, NOIR MALE

From Iconic Director Chi Chi LaRue, Noir Male's Debut Release 'Black On White' Showcases Black Men at their Finest, in Unprecedented Interracial Gay Porn.

MONTREAL, Quebec (Aug. 01, 2018) – Production powerhouse Mile High Media and iconic director Chi Chi LaRue have teamed to launch new gay porn studio Noir Male. Set to breakdown interracial porn stereotypes and conventions, Noir Male blends classic elegance with modern style, showcasing men of color as they deserve to be seen - sensual, sexual, and unapologetically fine.

Releasing on DVD today, the debut film for Noir Male is "Black On White." Director Chi Chi LaRue presents a stylized vignette featuring four hardcore scenes of passionate and unscripted interracial sex, starring superstar cover models Remy Cruze and Seth Santoro, plus gay stars Pheonix Fellington, Jason Vario, Max Adonis, Jett Rink, Max Konnor and Wesley Woods.

Chi Chi LaRue explains Noir Male's overall imprint saying, "A much needed refresher is coming to the industry. The introduction of Noir Male with high-end locations, top-notch talent, mind-blowing visuals and of course scorching hot sex is what you're going to get. August will see the introduction of the highly anticipated launch of Noir Male and I guarantee it is extraordinary interracial porn. Creating this with Mile High Media is one of the highlight of my career!"

Noir Male will celebrate the full range of sexuality and fantasy fulfillment that black men have to offer, in a product that breaks free from the stereotypes and conventions of typical interracial porn. No body part is off-limits, and no desire out of reach, in scorching hot black and interracial encounters where the preconceptions of tops and bottoms and expected sexual scenarios become a thing of the past.

Jon Blitt, vice president of Mile High Media, says, "We are very pleased to launch this completely unique studio with Chi Chi LaRue. Content from Noir Male will be distinctive to the gay marketplace and embody genuine and intense exchanges between black men and interracial pairings, breaking down preconceived sexual stereotypes while reveling in hot sex at it's purest. We are proud to be on the forefront of interracial content that seeks to be progressive not offensive."

Slated for a mid-August full site launch, fans can preview Noir Male now with a free scene starring DeAngelo Jackson and Jackson Reed exclusively on www.noirmale.com.

Mile High Media has been a pillar of the adult industry for over 25 years. The Canadian managed company began as a Canadian licensee for American adult movies, ensuring it distributed only the highest quality content. Understanding the diverse and ever changing needs of its consumer base, Mile High determined the best way to provide a wide array of superior entertainment was to produce its own content. In 2003, Mile High launched Doghouse Digital, the first of its acclaimed lines catering to specific niches. Market trends and demand led Mile High to then create Sweetheart Video (lesbian line), Sweet Sinner (couple's erotica line), Reality Junkies (reality gonzo line), BiEmpire (bisexual reality gonzo line), Icon Male (gay romance line), TransSensual (TS romance line). With over 2500 titles, Mile High's studios yield some of the most viewed adult movies in the world, available on all platforms, including broadcast, IPTV, VOD, DVD and mobile applications. Mile High is a continual trendsetter, earning AEBN.net 2012 Studio of the Year title and FSC 2016 Production Company of the Year award.
